

Build My Future

National Workforce Development Initiative

April 25, 2023
9 AM - 3 PM
Johnson County Fairgrounds
4261 Oak Crest Hill Rd SE - Iowa City, IA 52246

2023 Sponsor & Exhibitor Package

Build My Future is free for students to attend. This event is for **7th - 12th grade students** in eastern Iowa. We are expecting the majority of students will come from Benton, Washington, Linn, Jones, Johnson, Cedar, Louisa, Muscatine, Scott and Iowa counties. Build My Future is a national workforce development initiative started in Springfield, MO to highlight careers through hands-on training provided by local employers, educators and skilled trades associations.

2023 will be the 3rd annual Build My Future event in the ICR region. It is hosted by Future Builders of Iowa, a non-profit organization created to expand workforce development initiatives in eastern Iowa in partnership with the local Iowa Home Builders Associations. It is the first year all the high schools in eastern Iowa are invited to participate in hands on training in a wide range of activities including: roofing, siding, framing, hanging and mudding drywall, plumbing, door hanging, GPS surveying, excavator and underground utilities, job site supervisor, rebar tying, old methods vs. new technologies, brick laying and many more.

Through these experiences the students not only learn about the craft behind a wide range of trades, they also engage in conversations with experts about what kind of training is needed, wages, working conditions/typical day, and opportunities within the industry.

We would love to have your partnership in this event! Without industry support, this event wouldn't be possible and our future workforce may never experience your trade first hand. As a sponsor and/or exhibitor, you will have the ability to directly interact with students to showcase your career opportunities!

2023 Sponsorship Levels
